You!

Our TKers Met the Oak Cougar for the First Time!

Walkathon – The Final Countdown!

Dear Oak community,

Our Walkathon is just around the corner—a highlight of the year for students, families, and staff. It's a day filled with energy, school spirit, and community pride. At Oak, these events are more than just traditions—they're opportunities to bring our community together while raising vital funds that help the PTA support teachers and enrich student learning in countless ways.

Whether you're a familiar face at school events or brand new to volunteering, there's a place for you. From lending a hand for an hour to helping behind the scenes, every bit of support makes a difference—and makes the day more fun!

[Register](#): Last call to get signed up—don't miss your chance to join the fun!

Fundraise
(We've got

969

nations.

[Volunteer](#): We still need parents for setup and teardown and teen volunteers ([sign up](#)) to help keep the event running smoothly. Jump in where you can!

Saturday Reminders:

- Wear your Walkathon shirt, sunblock, hat, and comfortable shoes.
- Bring a water bottle and some cash/check/Zelle/PayPal for tickets (coffee, snacks, candy, and more!).
- Arrive by 9:00 AM for school spirit at the welcome table, volunteer check-in, and a lively kickoff at 9:15 AM.

A Huge Thank You:

This Walkathon wouldn't be possible without our incredible volunteers. From planning behind the scenes to showing up on Saturday morning, your time and energy keep our community strong—and our students inspired. We're grateful for every helping hand.

Thank you for your amazing support—we're ready to make this the best Walkathon yet. Lace up and let's go!

Nikita

October Character Strong

Our Character trait for the month of October is Responsibility. Being responsible means doing what you're supposed to do, even when it's difficult. At school, this includes completing assignments on time, following rules, participating actively in class, and respecting others. At home, it means helping with chores, completing homework, being on time, and taking care of belongings.

Responsibility
Family Newsletter

PurposeFull People

Responsibility Overview

This month we are talking about Responsibility. One way to define Responsibility is "taking action and understanding the impact of our choices." Taking action can mean doing the right thing or completing the tasks you have been assigned. Understanding the impact of our choices means that our actions matter. Positive and responsible actions can help people and irresponsible actions can hurt others.

Responsibility is 1 of 3 traits we will focus on throughout the year that helps students **Be Strong**.

Across grade levels students will be developing skills like focusing, organizing, and goal-setting.

PurposeFull Pursuits

Have some fun connecting as a family this month while practicing Responsibility. Here are 2 "PurposeFull Pursuits" you can complete together!

#1 As a family, think of ways in which you might make someone's life a little easier by helping a neighbor or family friend with 1 of their Responsibilities. Could you bring the garbage to the chute or out to the curb? Could you carry things in from the grocery store? Could you invite someone over for a meal or a show?

#2 Review Responsibility as a family! Responsibility is taking action and understanding the impact of our choices. Choose 1 household chore (or more!) that requires multiple steps. Then have each member of the family select 1 step to complete to help get the job done! Maybe it's washing the dishes, doing laundry, cleaning the living room, or unloading the groceries – whatever it is, see who can be the quickest or most effective at their task!

Conversation Starters

- Can you share or show what it means to be Responsible?
- How can we help each other practice being more Responsible?

By demonstrating responsibility, we create a positive and safe learning environment for everyone and contribute to a more harmonious home life. Let's celebrate responsibility and strive to be our best selves.

Be sure to [make your own donation](#) beforehand.

5th Grade

Author's Faire

Properties of Matter

Library Corner

By Mrs. Forrest

Library lessons this week included books about Autumn and the Mid-Autumn Moon Festival. In the fourth grade, we reviewed using the Destiny online catalog. In the fifth grade, we finished a compare and contrast unit.

You can still sign your students up for Birthday Book Club via the Oak Classroom Parent website. The Birthday Book Club is a great way to honor your student's love of reading as well as to leave a lasting legacy in the Oak Library. Look for the tiny store icon along

the top bar. Please submit your orders for the year now so that we may order books in advance. Remember that summer birthdays will be celebrated 6 months ahead at their half-birthday. Last minute requests are harder to fulfill, so order at least 30 days in advance at the latest.

Summer Reading Prizes will be handed out the week of October 13th.

Go to this link: <https://www.destinydiscover.com/aasp/ui/pick/picked>

Choose California, type in Los Altos School District, and Oak Avenue Elementary School in Los Altos. There are multiple Oak Avenue Schools, so make sure you pick the one in Los Altos. This puts you directly into the Oak Library Catalog, which shows all the books the Oak Library owns. Click Go!

You can browse the collection by topic, genre, grade level, etc. You can search for a specific book title or author. You don't need to log in to do any of these searches. However if you do want to put a book on hold or read one of our ebooks, you will need to log in.

To log in, click on the login button at the top right. Enter this year's google username and password that you use to log in to your school google account and submit. Search for the book you are looking for and put it on hold. Mrs. Forrest will pull the book for you and have it waiting for you in the library during the school year. No summer holds available.

Student Access to Santa Clara County Library

All LASD students (unless parents opted out), have a student account through the Santa Clara County Library District. This student account offers access to eBooks, research resources, homework help, and much more.

To access the website, go to: <https://student.scclld.org>

You will be asked to provide an Account Number and PIN. The Account Number is S + Student ID + LASD (no spaces in between). The student ID is a unique 5 digit number provided by LASD. It is the same number as your student's Powerschool number and is embedded in their school email address. The number is provided when you receive district communications specific to your student. The PIN is the student's birth month and day (again no spaces). If the birth month or day is only one number, add a zero in front of it.

For example:

Account Number: S12345LASD

PIN: 0114 (for January 14th)

There are also resource links on the Oak School website under Programs/Library.

Please contact Mrs. Forrest at cforrest@lasdschools.org if you have specific requests, have any questions, or have difficulty accessing your account.

Absences and Appointments

We have noticed an uptick in student absences due to illness recently and wanted to provide information on how we can keep our students safe from the spread of germs.

- Please be sure to check in with your child(ren) each morning to make sure they feel well enough to attend school each day.
- It is required to keep your child home until they are fever/vomiting/diarrhea free **without** medication for 24 hours and symptoms are improving.
- If more than one episode of vomiting and/or diarrhea occurs, then students may not return until free of vomiting and/or diarrhea for 48 hours.
- Coughs can linger for a while. Per protocols, symptoms need to be improving, not resolved, before returning to school.

More information can be found here on the [LASD District site](#).

Learning Challenges events for Fall 2025

For local coverage of issues related to learning challenges and special education, please check out the Learning Challenges Committee <https://sites.google.com/view/learning-challenges-committee>

Calm Down Kit making sessions - Volunteers will make Calm Down kits for classrooms throughout Mountain View and Los Altos and learn how to make their own for their home! Monday August 25 11-1, Wednesday August 27 11-1, Thursday September 26 (5-7 pm), Tuesday September 30 5-7 pm. For location, contact lccmvla@gmail.com

Learning Challenges Committee General Meeting October 7, 7 pm in person (TBA) and Zoom hybrid

We will be finishing up the Wellness Wish List and will likely need a work session to finish up packing orders for delivery to classrooms! For more info, email lccmvla@gmail.com

Evening Let's Talk Parent Support group October 15, 7 pm on Zoom.

IEP/504 support group. Have questions about the process to get help for your child? Have an IEP but are not sure how to make changes? Need to vent? This is your confidential group. Register:
